

Mary Gazea

Dr. rer. nat.

Curriculum Vitae

Professional Experience

- 2022 – 2023** Scientific Project Manager and Grant Writer in the research group of Prof. Vasilis Ntziachristos, Institute of Biological and Medical Imaging, Helmholtz Center Munich
- 2022 – 2023** Munich Biotech Account Manager at Thermo Fisher Scientific, Darmstadt
- 2020 – 2022** Project Manager at concentris research management GmbH, Fürstenfeldbruck
- 2019 – 2020** Commissioning Editorial Specialist (Psychology and Neuroscience) at Frontiers Media SA, Lausanne
- 2016 – 2019** Post-Doc in the research group of Prof. Antoine Adamantidis, Center for Neurological Research, Inselspital University Clinic, Bern
- 2015 – 2016** Post-Doc in the research group of Prof. Mayumi Kimura, Neurogenetics of Sleep Group, Max Planck Institute of Psychiatry, Munich

Education

- 2011 – 2015** **Max Planck Institute of Psychiatry and Ludwig-Maximilian University, Munich, Germany**
PhD in Neurosciences
Thesis: Sleep-wake behaviors resulting from early life obesity – Hedonic and homeostatic signal contributions
- 2009 – 2011** **University of Bonn, Bonn, Germany**
M.Sc. in Neurosciences
Thesis: The role of primary cilia in the development of dopaminergic neurons in the murine ventral midbrain
- 2006 – 2009** **University of Cologne, Cologne, Germany**
B.Sc. in clinical and experimental Neurosciences
Thesis: The Age-Dependent Effect of Ghrelin on the Secretion of Cortisol and Growth Hormone and on Sleep-EEG in Healthy Men
- 2004 – 2006** **Gymnasium Rodenkirchen, Cologne, Germany**
Secondary school, Abitur (German university entrance qualification, A-levels)

Honors and Awards

- 2016** DFG post-doctoral research fellowship
- 2015** Travel Grant by PERC-FENS World Congress for the participation in the 9th World Congress of the International Brain Research Organization (IBRO), Rio de Janeiro, Brazil
- 2013** Travel grant by ESRS Network of Sleep Research Laboratories for the visit of the sleep laboratory of Prof. Dr. Isabel de Andrés
- 2011** Poster Award at Neurovisionen 7 meeting in Essen, Germany
“The role of primary cilia in the development of dopaminergic neurons in the murine ventral midbrain”

Selected Workshops and further training

Nov 2022	PRINCE2 6th edition Foundation Online Course and Certification by ILX Group
Dec 2020	Workshop “ Stress Resilience ” by Raphael Kalisch and Birgit Kleim, organized by concentris research management GmbH
Oct 2019	Workshop “ Impactful Communication “, led by Nigel Wood, organized by Frontiers Media SA
Sep 2019	Workshop “ Insights Discovery “, led by Sara Wyke, organized by Frontiers Media SA
Nov 2013	Workshop “ Optimizing Writing Strategies in English (Natural Sciences and Medical Research) “, led by Marcy Scholz, organized by the LMU GraduateCenter
Dez 2012	Workshop “ Project and Time Management for Scientists “, by Christina Schütte, organized by the LMU GraduateCenter
